Education

Neuqua Valley High School

High School Diploma

Graduating May 2019

Throughout High School, I've taken a coding class and a preparation class towards further education. The coding class gave me basic information towards programming but I never fully got the grasp of it. Outside of school, I played lacrosse freshman year and rugby all of the other years. Rugby has really taught me how to cooperate well with a team and be compatible with one another. Also, I have volunteered for two seasons at a barn that helps out kids with special needs.

University of Illinois at Urbana-Champaign

Bachelor's Degree Business Administration

Graduated May 2023

Throughout college, I've focused my goal towards business, and further succeed in human resources. For extracurricular activities I played rugby all throughout my four years at University of Illinois at Urbana-Champaign. This has helped me out with communication and teamwork with peers around me. The whole college experience has helped me to get a grasp at human resources needs.

Employment History

Midwest Fit Club

Front Desk

Naperville, Illinois

July 2018 – Present

As front desk at Midwest Fit Club, I am always communicating with everyone to meet their needs and making sure everyone is satisfied with their goals. I make sure to have a close relationship with everyone working there and consistent clients to help them and be good at managing sensitive information.

Ready Set Ride Therapeutic

Volunteer

Plainfield, Illinois

June 2017 – February 2018

At Ready Set Ride, I would always have to make sure the all the kids are happy and work as a team with the other volunteers in order to come up with ways to help the special needs. I would always to make sure to listen to others and resolve problems in a respective manner.
